**FOR TAX PURPOSES...** In order to determine the tax-deductible portion of your membership, the Internal Revenue Service requires an estimate of the fair market value of benefits provided at each level of membership. After subtracting the value of these benefits, the tax-deductible portion of the Erie Art Museum memberships are listed below.

## Distinguished Circle Memberships

Patron ..... \$75 deductible    Sustaining ..... \$225 deductible    Sponsor ..... \$450 deductible  
Benefactor ..... \$900 deductible    Fellow ..... \$4,650 deductible

Based on IRS rules, all members who are entitled to full deductibility for their membership subscription receive only the basic benefits of free Museum admission, Shop discount, newsletter and invitations to events. The tax-deductible portion for Distinguished Circle Memberships reflects the value of extra benefits available to these categories.

**Please Note...** To claim full deductibility to your Distinguished Circle Membership, sign your name in the space below and we will send an acknowledgement letter for your tax records.

**I hereby wish to decline all extra benefits to which I am entitled. My additional support at this higher level is intended solely as a charitable contribution to advance the general programs of the Erie Art Museum.**
